

DID YOU KNOW?

that companies are
manipulating immigration
laws to outsource
American jobs and discriminate
against American workers?

Neither did Dick Durbin.
*But he was moved to act by want ads
calling for “H-1B Only.”*

He responded with S.887. It will give US citizens a chance to compete for job openings in our own country, end the segregation in high-tech industries, and stop companies from forcing us to train our foreign replacements.

Include S.887 American's Jobs bill in CIR

Techies working on the *real* American Dream

Bright Future Jobs

Busting the myth that Americans can't cut it in science & technology

Help us pass America's jobs bill
